The Post Falls High School FIRST Robotics team, Roboteknix Team #2865, is currently seeking your support so it can have a successful year of designing and building a robot to compete in the FIRST challenge ([www.usfirst.org](http://www.usfirst.org)).

We only have a six-week window to accomplish building the robot, programming it, and shipping it to the competition site. Students and mentors have been working after school and on weekends and in six weeks they have put in 6,000+ Man-hours on the project. This is a hard working group of students involved in a very challenging academic and technical international competition.

**Your support will make the difference!**

FIRST Robotics was founded in 1989 with the purpose of giving high school students the opportunity to gain hands-on experience with sciences such as; computer programming, electrical engineering, physics, pneumatics, and structural engineering. We have the drive, the skills and the ability to compete. We need the mentors, the support, and the chance to push ourselves to our limits. Your donation will assist our young men and women in their pursuit of excellence and real-world experience. This is not about education, this is about workforce development.

For our sponsors we would like to offer some return on investment as well. If you look over the enclosed sponsorship levels you can see how we can help promote your company or group through our team activities and communications. Sponsorship can include items such as: your groups name added to the official team name announced at events, your name or logo on our website and even logos on the robot itself. Post-season the robot could be available at events for your company as well. Additionally we can have your literature on hand at events and competitions and if you are a larger contributor you will be mentioned in any and all press releases related to the team.

**Advertisement Exposure:**

- ✓ Post Falls High School ~ 1550+ Students
- ✓ Features in the CDA/Post Falls Press: Circulation ~ 31,000+
- ✓ Features in the Spokesman Review: Circulation ~ 349,000+ and Website Traffic of 600,000 hits a month

For information and updates on the team, as well as pictures and videos, please visit [www.roboteknix.com](http://www.roboteknix.com) or go to [www.usfirst.org](http://www.usfirst.org) for information on FIRST.

The FIRST Robotics regional events are a great place to advertise! Not only are they filled with professionals, they also attract a large audience of young engineers, technology oriented students and their families and supporters. If you support our team, we will make sure that your name gets out there.

- In addition to donations, if someone from your company volunteers to mentor the team, your company will be listed as a sponsor at the appropriate level and the mentor will be a team member.

POST FALLS HIGH SCHOOL, POST FALLS, IDAHO

Post Falls High School FIRST Robotics Team #2865  
2010 Community Sponsorship Program

If you would like to sponsor the Roboteknix Team for the 2010 competition season by making a TAX DEDUCTABLE donation, please fill out this form: **Tax Exempt ID: 31385-28-7-3**

What can you do? (check all that apply) I or My company can...

- send engineering mentors to volunteer to help the team. (M-F: 3 – 6 & Saturdays 9 - 1)
- send non-engineering mentors to volunteer to help the team. (Business, Marketing, Supervision, etc.)
- make a monetary donation of \$\_\_\_\_\_ to the team.
- buy* raw materials or hardware as requested by the team totaling \$\_\_\_\_\_ in value.
- donate* raw materials and hardware that our company has. (If you check this box, we will contact you to find out if you have anything that we need or you can list the materials that you have in the margin at the top of this page.)
- provide machining or manufacturing services to the team totaling \$\_\_\_\_\_ in value.
- provide food or other services to the team. Other services: \_\_\_\_\_  
*(teens eat all the time!)*

Note: FIRST allows teams to spend up to \$3,500 on materials for the robot. Machining services donated to our team by our sponsors do not count toward this limit, but material expenses do count.

• **Make all checks payable to “Post Falls High School”, memo: “FIRST Robotics”.**

---

**Please Print or Type:**

Business Name

Authorized Representative

Address and Zip Code

Phone Number

E-Mail Address

Do you want to receive updates via e-mail about our team’s progress?  Yes  No

\_\_\_\_\_ gives Roboteknix, FIRST Team #2865, of Post Falls High School permission to display its name and logo publicly and to convert its logo to one color if necessary for use on t-shirts if necessary.

Please email your official company name and logo to [slorenze@sd273.com](mailto:slorenze@sd273.com)

Send checks, along with this completed donation form, to:

Salvatore Lorenzen  
Post Falls High School  
2832 E. Poleline Ave  
Post Falls, Idaho, 83854

**Please allow 1-2 weeks for a receipt for your donation. All donations are tax-deductable.  
Thank you for your support!**
